CASE WESTERN RESERVE UNIVERSITY THE FRANCES PAYNE BOLTON SCHOOL OF NURSING 10900 Euclid Avenue, Cleveland, Ohio 44106-4904 (216) 368-2529 — Information 1-800-825-2540 x2529 www.fpb.case.edu Email: admissionsfpb@case.edu	Post-master's DNP: The Frances Payne Bolton School of Nursing created the first practice doctorate nearly 30 years ago. Our post-master's Doctor of Nursing Practice program prepares students for leadership in nursing practice, health system administration, entrepreneurship, and clinical research. FPB offers a choice of two elective sequences, educational leadership and practice leadership, to allow students to customize the program to meet their career goals. The post-master's DNP program is offered in intensive formats on- and off- site that allow students to maintain full-time careers while pursuing the DNP.	For current tuition and financial aid information, visit fbp.case.edu or contact Student Services at (216) 368-2529.
CASE WESTERN RESERVE UNIVERSITY THE FRANCES PAYNE BOLTON SCHOOL OF NURSING 10900 Euclid Avenue, Cleveland, Ohio 44106-4904 (216) 368-2529 — Information 1-800-825-2540 x2529 www.fpb.case.edu Email: admissionsfpb@case.edu	Graduate Entry: The Graduate Entry program is designed for individuals with non-nursing bachelor's degrees looking to transition to careers in advanced nursing practice and/or research. Upon completion of the four-semester pre-licensure phase, the student is awarded a generalist Master of Nursing (MN) and receives about 14 credits toward a specialist Master of Science in Nursing (MSN). The student can then proceed to one of FPB's dozen MSN programs and then on to the Doctor of Nursing Practice. All Graduate Entry students are admitted through the DNP-level. (After completing the MN or MSN, the student can elect to apply for the PhD instead of the DNP.) HIRAM COLLEGE DEPARTMENT OF NURSING Teachout-Price Second Floor, P.O. Box 67 Hiram, Ohio 44234 (330) 569-6132 www.hiram.edu/nursing	A new, unique and academically rigorous generic BSN Program distinctly embedded in the liberal arts and the discipline of nursing preparing clinically competent, ethically grounded, socially and culturally responsible professional nurses with skills necessary to be critical thinkers, caring and capable leaders in the profession. Unique aspects of the program include a lab-based genetics course, an applied (evidence-based) research experience, opportunity to minor in biomedical humanities or other related area, and a global health course with opportunity for study abroad. Students applying for admission to Hiram College, and who meet the admission requirements for nursing, are afforded the opportunity to be admitted directly into the nursing major in their first year.	Admission decisions at Hiram are made without regard to family financial circumstances, a policy commonly referred to as "need-blind admission." If admitted to Hiram, you will be considered for all the financial assistance you are eligible to receive. In addition, Hiram believes academic achievement and promise should be honored and rewarded. This year the College will award over \$9 million in merit scholarships and need-based grants. There are many resources available that can help make Hiram College affordable. Visit us at http://www.hiram.edu/finaid/ for additional information.

The Ohio League for Nursing promotes and fosters nursing careers through public education and information programs
 The League provides information for potential nursing students. Membership in the League is open to the general public as well as nurses.

TO BECOME A NURSING STUDENT:

1. Applicant must be a high school graduate or have passed the Graduate Equivalence Examination (GED) given by the Board of Education.
2. Select several schools with entrance requirements which you think you can meet — and contact them. RN schools generally require high school credits which include: 4 years English, 2-3 years social studies, 2-3 years math, 2-3 years science (including chemistry), 2-3 years foreign language (depending on the type of program). Requirements for PN programs may be different.
3. For those in high school it is suggested you inquire at one or more schools not later than your junior year to prepare for any special courses and/or entrance tests that may be required.
4. The Schools of Nursing will advise you:
 - a. About their own specific entrance requirements.
 - b. How to obtain a transcript of your high school academic record.
 - c. When and where to report for your pre-entrance test, if applicable, physical examination, and personal interview.
5. Take any required entrance test as early as possible in your senior year of high school.
6. Adults, post-baccalaureate students, and those persons considering a career change are encouraged to apply and generally considered on an individual basis.
7. Financial aid counseling is part of the admissions process. Be sure you discuss scholarships, grants and loans available if you will need financial aid.
8. Make an appointment to meet with the school representative and visit the schools of your choice.
